EDUCATION

B.S. Electrical Engineering

🏛 University of Akron 📅 2022 – 2026 (expected)

- Williams Honors College
- Current GPA: 3.89

EXPERIENCE

Electrical Engineering Co-Op

🏢 GPD Group 📅 Summer 2024, Summer 2025 📍 Akron, Ohio

Keywords: Substation, Design, AutoCAD

- Learned AutoCAD and Raster tools
- Took engineer markups and made changes to drawings
- Worked closely with other electrical engineers to follow standards
- Did design work to add capacitor bank and Cap Switcher to substation

Apprentice Industrial Electrician

🏢 Webb-Stiles Company 📅 Summer 2023 📍 Valley City, Ohio

Keywords: Electrical panels, disconnects, junction boxes

- Worked with Electrical Engineers to build panels
- Cut DIN rails for electrical panels and assembled junction boxes
- Wired up electrical panels, labeled all wires, read electrical schematics in the process
- Other jobs that needed to be done around the shop
